

**Antoine CLOUET**

Senior Consultant

## Key Facts

- **Over 15 years of Energy & Industrial Projects experience as Contract & Claim Manager and Cost Estimator.**
- **DIALES Quantum Expert assistant**
- **Trainer in contract & claim management principles on large projects**

## Summary

Antoine has a large experience of international construction projects, mainly acquired by working both on Contract Management and Cost Management topics during tender and execution phases.

He has put his contractual skills, doubled with his financial perspective, on projects for leading industrial companies acting in the field of Energy (EDF, Areva, Siemens), Utilities (Veolia, Suez) and Oil & Gas (Technip).

Antoine is a recognized professional when it comes to manage and quantify claims in the industry as well as to assist Quantum Expert in arbitration proceedings (ICC rules). He is also in charge of administrating the training offer of Driver Trett in France and takes a leading role in the development of the office in Paris.
